The Senior Senate Board is an advisory body, which functions as an advisory council for the membership, participants and the Senior Life Center Supervisor. The Senior Senate Board also assists in the implementation of the Senior Life Center activities. Primary functions are to provide input and discussion regarding program activities, the Congregate Meal Program, and support to the Senior Life Center Supervisor.

The Senior Senate Board will represent and speak for the senior membership and participants and assist with the development of the Congregate Meal Program by:

- Assisting with the implementation of suggested voluntary meal contributions.
- Planning and implementing, with the approval of the Senior Life Center Supervisor, fund-raising activities.
- Cooperate and work with the Senior Life Center Supervisor and Staff Members.
- Promoting goodwill and good fellowship among the senior membership and participants, and in the community at large.
